Can you also forward me the aldicarb Alex briefing invitation? I saw it on people's calendars and I think Kimberly left me off when she sent it around 😊

Team:

I've reviewed the content in the slide deck that Lindsey set aside (link below). There really isn't anything different for BAB. I had a few comments, but nothing that would change content.

It seems as if there might be some things for the BEAD team to discuss at the 8:30 meeting on Tuesday.

1. BEAD edits/comments to slide deck (SIAB and BAB slides). Presenters on Wednesday?
2. BEAD edits/comments to rest of slide deck (other divisions)? Mark and Hope, you had some ideas for other data runs for HED.
3. BEAD's response to or discussion of the letter sent from the Agriculture Advisor (EPA IO). Or was this letter an FYI?
4. SIAB sharing part of excel file for registrant?
5. Other

Happy weekend,  
Rebecca

Hi everyone, our next aldicarb briefing is this Wednesday (11/18). I've updated the PCTn slide (BEAD link below). Did BAB make any changes to the benefits or alternatives slides? I'll plan to get these updates into Debra's most recent slide deck (link in attachment) by COB Tuesday.

Hi lucky aldicarb team members. I created a copy of Debra's briefing slides so we can workshop our changes before editing her copy. (And FYI my meeting notes from yesterday are below.)
